

Starlink missions with and without Direct-to-Cell by year

Starlink missions by year and launch site

Total number of Starlink missions by year

Starlink missions by year and satellite version

Launches by month and line type: years and average

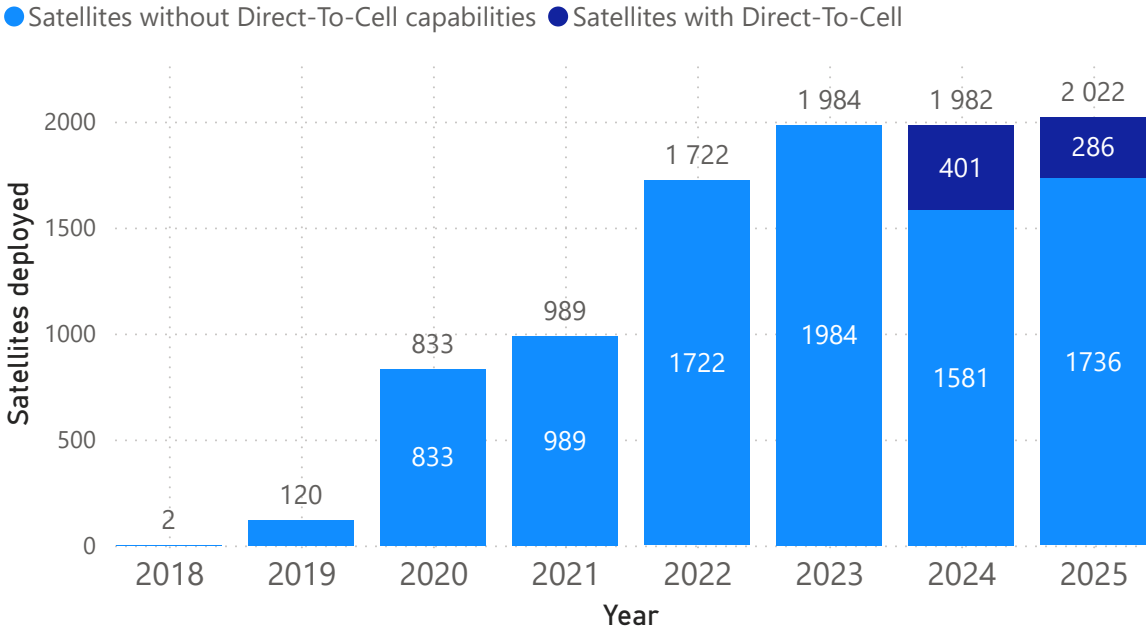

Launches and average launches per month by month and year

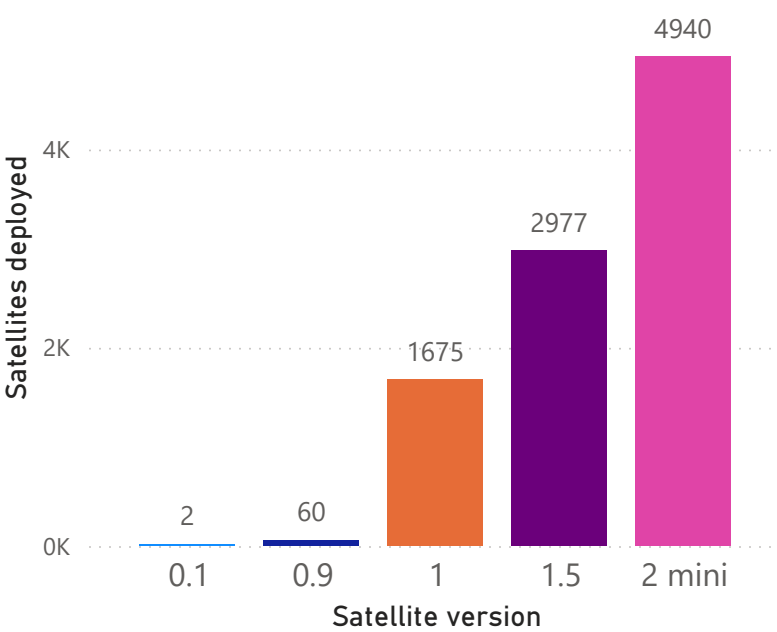

Year 2018 2019 2020 2021 2022 2023 2024 2025 Average launches per month

Satellites deployed including those with Direct-To-Cell capabilities by year

Satellites deployed by satellite version

Total satellite launched including with Direct-to-Cell by year

Satellites deployed by year and sat. version

Satellites deployed with average per month by month and year

Year 2018 2019 2020 2021 2022 2023 2024 2025 Average satellites deployed per month

Satellites deployed by year and group in chronological order
